FOUNDATION CHAIN

1. Make a slip knot on hook about 6 inches from end of yarn. Pull the one end of yarn to tighten knot.

2. Place hook between right index finger and thumb, holding hook as you would a pencil. Thread yarn over ring finger, under middle finger and over index finger, holding short end between thumb and middle finger. If more tension is desired, wrap yarn around little finger. Insert hook under and over strand.

3. Catch strand with hook and draw through loop. Make the chain the desired length. This is called the foundation chain.

SINGLE CROCHET

4. Insert hook into second chain from hook, under the two upper strands.

5. Draw up a loop.

6. Yarn over hook.

7. Draw through the 2 loops, completing the single crochet. Inserting hook into next stitch, repeat from Step 4.

HALF DOUBLE CROCHET

8. With yarn over needle, insert hook into third chain, under the two upper strands.

9. Draw up a loop.

10. Yarn over hook.

11. Draw through the 3 loops, completing the half double crochet.

DOUBLE CROCHET

12. With yarn over needle, insert hook into fourth chain, under the two upper strands.

13. Draw up a loop.

14. Yarn over hook.

15. Draw through 2 loops.

16. Yarn over and through last 2 loops on hook, completing the double crochet.

TREBLE CROCHET

17. Yarn over hook twice, then insert hook into 5th chain.

18. Draw up a loop.

19. Yarn over hook and through 2 loops.

20. Yarn over hook and through next 2 loops.

21. Yarn over hook and through last 2 loops, completing the treble crochet.

DOUBLE TREBLE

22. Yarn over hook 3 times, insert hook under 2 top strands of 6th chain from hook and draw loop through the chain (5 loops on hook). Yarn over and draw through 2 loops at a time 4 times.

TRIPLE TREBLE

23. Yarn over hook 4 times, insert hook under 2 top strands of 7th chain from hook and draw loop through chain (6 loops on hook). Yarn over and draw through 2 loops at a time 5 times.

SLIP STITCH

24. Make foundation chain. Insert hook under top strand of 2nd chain from hook, yarn over. With single motion, draw through stitch and loop on hook. Insert hook under top strand of next chain, then yarn over and draw through stitch and loop on hook. Repeat to end of chain.

TO TURN WORK

25. As stitches vary in length, each uses a different number of chain stitches to turn at the end of a row. Table below shows number of chain stitches needed to make a turn for each stitch:

Single crochet (sc)	Ch 1 to turn
Half double crochet (hdc)	Ch 2 to turn
Double crochet (dc)	Ch 3 to turn
Treble crochet (tr)	Ch 4 to turn
Double treble (dtr)	Ch 5 to turn
Triple treble (tr tr)	Ch 6 to turn

AFGHAN STITCH

26. Make a chain the desired length. Counting loop on hook as first stitch, insert hook in next stitch and draw up a loop.

27. Keeping all loops on hook, draw up a loop in each chain stitch.

28. To work off loops: Yarn over hook and draw through first loop.

29. * Yarn over hook and draw through 2 loops, repeat from * across until all loops are worked off.

30. One loop remains, to count as first stitch of next row.

31. Insert hook under next vertical bar and draw up a loop, draw up a loop under each vertical bar across. At end, insert hook through double loop of last stitch and draw up a loop. This keeps edge firm.
